WHAT'S NEW AT PJB?

Quote from BOOST Conference website

We are excited to announce that we will be attending the 2024 BOOST Conference in Palm Springs in April/May. The conference is the "largest, most recognized, and comprehensive global convening for after school, expanded learning, and in and out-of-school time professionals." Our goal is to soak up all the information we can to bring back to PJB.

PJB will host an Inspiration Station on Thursday, May 2 - Motivating Kids to Be Active - where we will share with our colleagues how Pure Joy Basketball uses physical activity to inspire, empower and motivate students to become leaders inside and outside the classroom. If you're at the conference, or know someone who will be in attendance, tell them to come visit us at 10:00AM, Station C in the Main Exhibit Hall.
